

U.S. Department of Veterans Affairs: 2013 TCF List of Locations for VA Careers

How to Find Job Announcements and Apply

VHA offers a designated number of TCF Program positions each year, for 2013 there are 287. Job opportunities are posted at various times in various locations (June-September), there is not one set date for job announcements at all locations. Selected locations are listed below, keep an eye out on VA Careers/USAJOBS for specific job postings that will include educational requirements and qualifications to apply.

For information on job postings, go directly to the Job Search feature at <http://www.vacareers.va.gov/job-search/index.asp>. From there you can search by Keyword (i.e., TCF, Pathways Recent Graduate), Occupation or Location.

Selection of participants follows the federal governments Office of Personnel Management (OPM) hiring standards. Applicants can be hired at the 5 or 7 level (GS-9 only for the Master Level participants), salary tables can be viewed on the OPM website at <http://www.opm.gov/oca/11tables/index.asp>. Beginning grades can vary across the country and are typically dependent on education level and experience in the field of interest.
